NAOMI WOODS

**HOPELESS
ROMANTIC**
PHOTOGRAPHY BY
DAVE NAZ

I have a thing for public sex. It's just so risky. One time me and my ex were hanging outside on our porch. It was in the middle of the day, and we just fucked right there. I sat on his lap, wearing a long dress to hide his dick, and I was sitting reverse. We took our time. It was a trip riding him and waving to the mailman between thrusts. So much fun! Now there isn't a place left in my neighborhood where I haven't climaxed.

"I like hopeless romantics, the ones you can stay up late with and talk about the universe and your hopes and dreams. My favorite position is doggy, but if I really like you, I'll want to ride it. If you get a room, fine. But I'd rather fuck in the elevator."

GOOD MOVE

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

The first time I tried porn, I was 18. I did it just that once, for the money. A year and a half flew by, and I was working at this restaurant as a cocktail waitress. I was really furious at all my coworkers and fed up with the manager's bullshit. I said, "Fuck this shit. I quit. I'm going to go do porn!" Everyone said, "I always knew that girl was a slut." I figured, let them talk about their miserable lives back in the kitchen. I'll travel the world and make money. Best decision ever.

"Working in the industry has helped me to develop the same qualities I look for in a partner: confidence, motivation, intelligence. Someone that's edgy. Somebody that can keep a conversation going. Someone who knows calling a person a slut is a compliment, not an insult."

Honestly, what makes sex great for me is bondage, role-play or having another girl involved. I had my first threeway last year, and I'm kind of obsessed with them now. My guy and I went to a strip club and picked up this gorgeous Bolivian girl with the most amazing body and the sexiest accent. We ended up taking her home with us, and she and I were all over each other. I've always been attracted to girls, but it was the first time I'd ever had another girl go down on me. It was magical. There is just something about the female form in all of its soft, perky, curvy glory that drives me absolutely crazy."

've lost track of how many guys I've slept with. Last time I thought about it, it was somewhere around 60. That's when I stopped counting and decided to just have fun. My favorite position is when I lie flat on my stomach, squeeze my legs tight and bump my butt up as my lover enters me from behind. I like a strong, aggressive guy, and that's a good angle for him to spank me and pull my hair.

"I'm really picky about girls. The chemistry has to be just right. Girls usually eat pussy better than guys, but they don't have dicks, and I *need* dick."

GOLDEN SHOWERS

HUSTLER CLASSIC
JUNE 1986

PHOTOGRAPHY
BY CLIVE McLEAN

Although the party ended hours ago, these revelers are still bursting with spirit. He can't hold back his desire to make her wet for their own get-together. They end up in a golden shower that isn't exactly sobering, but the besotted bimbo turns on to the feeling of bubbles in her cunt. "I'll fix your plumbing," he promises, popping his cork. Moments later her pussy, pinker than champagne, is thoroughly drenched. He can't wait to taste the fruits of his labors, and the two are soon locked together in vintage lust. It's a very good year indeed.

ALL-TIME FAVORITE

PHOTOGRAPHY BY
SHANE CURTIS

With all the traveling I've been doing lately, I find myself fantasizing about fucking on a plane. The turbulence and seatbelt signs make me want to do something dirty. Gets me hot just thinking about it—the secrecy and chance of being caught.

"Sex is amazing when you're with the right person, someone who is open to anything and everything. Eyes are what attract me to a man, and if he has dark hair with light eyes and tattoos, I fall in love immediately. Lust at first sight. My all-time favorite thing? Getting plowed from behind doggy-style by a strong man."

A topless woman with long brown hair is sitting on a large, textured tree trunk. She is looking over her shoulder towards the camera with a slight smile. The background is blurred, showing foliage and sunlight filtering through leaves.

I completely love dirty, different sex. Even before I was in porn, I sought it out. Once, on a nude beach in Miami, a guy came up to me and said he wanted to fuck me. For whatever reason, I didn't slap him. Instead I asked how many friends he had and told him to get them. We went into some bushes, and I had my first seven-man gangbang.

"My biggest passion is eating pussy. I can't get enough, and it makes me drip more than I ever thought possible. With my current girlfriend I discovered I can squirt. She fingers me while I'm hovering over her face, and then she drinks it all."

"I'm naturally an exhibitionist. You think I'm looking at the camera, but actually I'm looking past it to the cameraman and the lighting crew. It makes me horny to know they're watching."

I don't hate Los Angeles. I just love San Diego. There's a huge military presence here, so there's like four guys for every girl. Most everyone is in amazing shape. And people come here on vacation, so it's easy to find someone totally down to fuck and have fun.

"I have lots of sexual experience for someone my age, but I never assume I know what will turn a lover on. Asking things like 'Does this feel good?' or 'Tell me how you like it' goes a long way. I love fucking too much to take it for granted."

HARDCORE SHOWCASE

BIG TITY RENT-A-COPS

HUSTLER VIDEO. DIRECTOR: RICK DAVIS. STARRING: KARMEN KARMA, CHRISTIE STEVENS, ALYSSA LYNN, MERCEDES CARRERA, HELLY MAE HELLFIRE, BRUCE VENTURA, SCOTT LYONS, MARK ZANE, ERIC JOHN & DERRICK PIERCE.

Yearning for some stiff justice? *Big Titty Rent-a-Cops* racks up some impressive busts. Any guy who's been harassed by some two-bit, pimply-faced twerp with a tin badge and a God complex will appreciate this offering, where the quasi-authority types in uniforms are the ones ordered to spread 'em and submit. Things kick off with heavily tattooed and titted vixen Karmen Karma. Karma attempts to apprehend a burglar, but the suspect turns the tables on her, seizing taser and tetas alike. As the well-hardened criminal fervently tit-fucks Karma, his cock looks like a greased ferret trying to escape from between couch cushions. Karma's would-be prey fucks her wet and squishy, then stabs her throat until the drool runs rabid-like from the sides of her mouth. Sweet-faced blonde Christie Stevens frisks her detainee to a hard-on before unleashing her pendulous milk mounds and going knees-to-nipples for a vigorous schtup, which ends with her casabas coated in crotch cream. Pneumatic blonde Alyssa Lynn has cartoonishly inflated tits; the psi on her boomeris is dangerously close to blowout status. Still, Lynn is otherwise a fine specimen who sucks cock like she expects gold to shoot from that prick if she just inhales hard enough. Finally minx Mercedes Carrera confronts a home invader and takes great pleasure in slapping his lap lizard against her comely mug between sloppy dick licks. The badge-bearing babes of *Big Titty Rent-a-Cops* are a mixed bag, but the stick-it-to-the-mam attitude is irresistible. Order this boobylicious treat by calling 800-763-8271 ext. 7675 or visit HustlerStore.com.

CHRISTIE STEVENS

SUPERGIRL XXX: AN AXEL BRAUN PARODY

WICKED COMIX. DIRECTOR: AXEL BRAUN. STARRING: CARTER CRUISE, RILEY STEELE, KATRINA JADE, JESSICA DRAKE, DERRICK PIERCE, RYAN DRILLER, DAMON DICE, CHARLES DERA & VAN WYLDE.

A couple of thoughts pop up like an awkward boner while watching *Supergirl XXX*. Such as 1) porn star names sound a lot like comic book names. Carter Cruise? Riley Steele? Alter egos that could have been cranked out in the DC superhero factory. And 2) would superheroes really need to wear condoms? With all of the superpowers they boast, wouldn't imperviousness to STDs be at the top of the list? But enough comic book/porn fanboy posing—on to the matter at lube-slathered hand. *Supergirl XXX* stands proud and firm as another solid superhero spoof in the Axel Braun canon. As usual, Braun approaches the source material with a combination of reverence, bawdy wit and erotic heat. Carter Cruise hits her mark as the plucky heroine who tirelessly fights to save the world when she's not taking fat pricks into her fuckholes. The video begins with Cruise fucking Brainiac—a well-crafted approximation of a mutant comic book baddie, though it's a little distracting that the only part of his body that isn't green is the gnarly, blood-swollen log between his legs. No matter—the fleshy protuberance pierces Cruise's sphincters with villainous aplomb. Porn vet Jessica Drake puts her gravity-defying ass to work in a dynamic trio that will make your eyes pop. And Katrina Jade cracks open Riley Steele's clam to slurp up that briny delicacy. *Supergirl XXX* will give viewers a pocketful of kryptonite—or at least some other type of rock-like substance.

JESSA RHODES

OIL OVERLOAD 15

JULES JORDAN VIDEO. DIRECTOR: CHRIS STREAMS. STARRING: JESSA RHODES, CHLOE AMOUR, BROOKLYN CHASE, HOLLY HENDRIX, BLAIR WILLIAMS, CHRIS STROKES, MICK BLUE, MANUEL FERRARA & MARKUS DUPREE.

Maybe reaching peak oil isn't a crisis after all. The idea behind *Oil Overload 15* is pretty straightforward: Round up a bunch of hot chicks, roll them in baby oil and put them through their sexual paces. Leadoff fuck puppet Jessa Rhodes' trouty pout suggests one too many visits from the collagen fairy, but her glistening mambos pleasantly distract as they jiggle through a gooey orgasm. Doe-eyed enchantress Chloe Amour is a welcome presence, as always, serving up a greasy foot-fuck before taking a savage pounding to her poontang. Blond bimbots Brooklyn Chase and Blair Williams deliver a double dose of delectable fuck flesh. The girls lather themselves silly before taking on scruffy cum-slinger Manuel Ferrara. The real standout here is pint-size spinner Holly Hendrix, who gamely takes two thick throbbers into her crap chute simultaneously—no small feat, given that she's roughly the size of a ventriloquist's dummy. Hendrix gets folded every which way, and mascara smears down her pretty face during a passionate double-teaming. If there's one complaint here, it's the overabundance of tease footage; it takes more than 15 minutes for the video to meander toward its first sex scene. But overall *Oil Overload 15* is slick.

—P.D.R.

HUSTLER VIDEO. DIRECTOR: OTTO BAUER.
STARRING: ALINA WEST, JENNA REID, GWEN STARK, TYSEN RICH, LOLA HUNTER, SCOTT LYONS, RYAN DRILLER, BRADLEY REMINGTON, RICHIE CALHOUN & TYLER NIXON.

Heat up the wieneries and warm those buns! *Barely Legal* #153 is throwing a barbecue party, and everyone's coming! Like most successful concepts, the idea behind this offering is simple: Throw a bunch of nubile hotties into bikinis, let them luxuriate around a swimming pool and then pair them up with a parade of cocks eager to fuck them silly. Brunet, porcelain-skinned enchantress Jenna Reid kicks things off, wasting no time in squatting and gobbling the prod of a Steve Buscemi look-alike. He then cuts into her gash like his cock is a cleaver. With her braided red hair and wide-eyed gaze, Gwen Stark has a hippie-girl aura about her. One imagines her cunt smelling like patchouli and tofu. As Stark slobbers on the steely prong of her gym-rat partner, the viewer can't help but be enchanted by her inverted nipple; it's like a shy animal that needs to be coaxed out of hiding with steady encouragement. Stark rides and bounces on her partner's prong like it's a Hippity Hop, her modest tits slapping against her rib cage with sweat-wet thwaps as she's drilled into oblivion. Eventually her sweet slice of strawberry pie is glazed with thick dollops of dick sauce. The standout scene features wispy-framed Alina West, who gets savagely face-fucked before enjoying a passionate, hair-pulling schtup. The flesh parade of *Barely Legal* #153 will definitely have your frank standing at attention. Visit HustlerStore.com or call 800-763-8271 ext. 7675 to order.

BAD GIRLS BOOT CAMP

WICKED PICTURES. DIRECTOR: MARK STONE. STARRING: JENNA SATIVA, UMA JOLIE, TANNER MAYES, JOJO KISS, SHYLA RYDER, SUBIL ARCH, AUBREY GOLD, LIZA ROWE, WILL POWERS, RYAN DRILLER, RYAN McLANE & TONY MARTINEZ.

Sometimes a spanking isn't enough to set a recalcitrant bitch on the right path. *Bad Girls Boot Camp* offers stiff discipline for wayward tramps, setting them on the straight and narrow while keeping them on the loose and twisted. The rebellious twats presented here are a ball-bloating bunch, starting with auburn-haired wif Jojo Kiss, who's put on KP duty for her infractions. As inept as she is alluring, Kiss can't even peel a cucumber properly. Luckily she fares better with the groin gourd dangling between her disciplinarian's legs. Rivulets of drool fall from Kiss's mouth as she ably chokes down the goober before her. With her brunet bangs, modest tit and pixieish demeanor, Jenna Sativa looks innocent, like a folk singer you might find crooning about puppies at your local coffeehouse. There's nothing remotely innocent, however, about the way she demands a spanking to her sudsy ass and ravenously licks twat during a shower scene with pigtailed alpha bitch Tanner Mayes and flaxen-tressed Uma Jolie. Rail-thin hellion Shyla Ryder's chest is so flat, it's practically concave; nonetheless, the viewer's blood pressure will definitely rise while watching her do squat thrusts on her drill sergeant's cock. Despite the quality of female talent, there are some quibbles. The editing tends to abruptly jump and cut, and the fact that this was obviously filmed at an upscale Southern California home detracts from the caged-heat fantasy. Even so, *Bad Girls Boot Camp* will have you manhandling your meat missile.

DOUBLE BLACK PENETRATION 3

JULES JORDAN VIDEO. DIRECTOR: PRINCE YAHSHUA.
STARRING: ASHLEY FIRES, ANGEL SMALLS, MANDY
MUSE, AJ APPLEGATE, PRINCE YAHSHUA, RICO STRONG
& SEAN MICHAELS.

In 1975 Nabisco introduced Double Stuf Oreos, a twice-packed sweet white delight sandwiched between two hard brown slabs. More than four decades later that tradition carries on with *Double Black Penetration 3*. The question is, nearly half a century in, does the recipe hold up, or does it seem a little stale? The video doesn't do itself any favors by leading off with thick, stringy-haired blonde Ashley Fires, who—with her Joker's grin and industrial-grade makeup—looks like Courtney Love after a weeklong cheeseburger binge. To her credit, she gamely takes on a pair of bulging, dusky lap lizards, welcoming them into her shitpit and tuna trench for an orifice-stretching DP. Apparently that old adage is true: Once you go black, the nethers go slack. On the other hand, if black lives matter, why are they being wasted on this clown-faced flesh pile? Petite blond fuck puppet Angel Smalls is less searing to the eyes, all sweetness and perky-tilted light as an ebony groin girder threatens to plunge her tonsils out by way of her asshole. Smalls earns her double dose of Nubian nut butter inch by inch by inch. Sturdy, pale-fleshed copper top Mandy Muse is built for endurance, and she definitely needs it as she pummels her uvula on a cum-spitting cobra while taking an anal drubbing. The otherwise loin-stirring scene is only marred by Muse's pimpled posterior. *Double Black Penetration* might offer twice the hole-hammering action, but an uneven roster of female talent yields only half of the thrills that might have been. —P.D.R.

ALICE LIGHTHOUSE

THIS AIN'T BAD MOMS XXX

HUSTLER VIDEO. DIRECTOR: STUART CANTERBURY. STARRING: DALLAS BLACK, ALICE LIGHTHOUSE, JAYDEN COLE, AALIYAH LOVE, DAMON DICE, ERIC MASTERSON & AARON WILCOXXX.

Summer 2016's *Bad Moms* was a perfectly fine comedy, though it lacked one crucial element: a scene where Mila Kunis and Kristen Bell strip down and go at each other's pussy like rabid hyenas. *This Ain't Bad Moms XXX* fills that void. Brunet honeypot Dallas Black stars as Mia, a sassy housewife eager to break free from the doledrums of her humdrum existence. Perky and taut-assed, Black is a tasty bit of boner bait—though with her multiple tattoos and the ink work on her fingers, it's a bit of a stretch to buy her as a suburban mom. Black wakes her hubby for a morning ride, hopping on his beef prong until he serves up his scrotum stew. Still unfulfilled, she takes matters into her own hands later, flicking her bean in the kitchen till she's interrupted by gai pal Christina (Aaliyah Love). Deciding that a girls' night out is in order, the pair cut loose at the club, flashing their mambos while dancing on the bar. The morning after is a bitch, as a hungover Black musters herself to confront Beatrice (Jayden Cole), a walking cunt of a teacher who threatens her son with expulsion. The two work out an oral agreement to keep the kid in school. Forget polishing the apple—Black tongue-buffs redhead Cole's luscious jugs and gleaming girl-guilty to curry favor instead. As a pussy-propelled tale of female empowerment, *This Ain't Bad Moms XXX* ain't bad at all. To order, call 800-763-8271 ext. 7675 or visit HustlerStore.com.

ORGY MASTERS 8

KIMMY GRANGER, LEXINGTON STEELE, PRINCE
YAHSHUA, RICO STRONG, MARKUS DUPREE, CHRIS

MORGAN LEE, MEGAN RAIN, KIMMY GRANGER,
JESSA RHODES & MELISSA MOORE

In this age of racial and political divide, it's heartening to see that we can still come together on important issues, like the benefits of drilling tight, young snatch. There's nothing in the way of concept to mull in *Orgy Masters 8*, just wall-to-wall, prick-hardening action. The first scene features five cock hounds bearing considerable charms: tattooed vixen Katrina Jade's jaw-dropping milk mounds; Jojo Kiss's wide-eyed, whore-next-door appeal; and Goldie Rush's drum-tight dumpster bumps, which clap together in righteous self-applause as she rides a stiff cock. But as the gaggle of twats descends upon a trio of firm-loined black dudes, it becomes apparent that the MVP here is dong-hopper Casey Calvert. Despite her petite stature, Calvert gamely squats atop Lexington Steele and wriggles her sphincters down his legendary lamppost. Not content to risk a case of terminal hemorrhoids, Calvert allows another brother to break into her meat wallet while Steele deep-probes her innards. The viewer half-expects to hear something snap. At the close of the scene all of the orgy girls line up cheek-to-cheek, mouths agape like baby birds to receive their meal of nut nectar. Exotic sextop Morgan Lee leads the charge next, fucking hard enough to make her tits sweat and taking a four-finger frigging that ends in a gusher of girl jizz. *Orgy Masters 8* features masterful group sex, period.

—P.D.R.

SUICIDE SQUAD XXX: AN AXEL BRAUN PARODY

WICKED COMIX. DIRECTOR: AXEL BRAUN.
STARRING: KLEIO VALENTIEN, ASA AKIRA,
RILEY STEELE, ANNA BELL PEAKS, KATY
KISS, NYOMI BANXXX, TOMMY PISTOL,
CHARLES DERA, SETH GAMBLE, OWEN
GRAY, LEXINGTON STEELE & ALEC KNIGHT.

Where *Suicide Squad* drew a collective "Meh" from fanboys and critics alike, its XXX counterpart earns a standing ovation in viewers' pants. As always, director Axel Braun balances a fidelity to the source material with the tongue-in-ass-cheek attitude necessary for a porn parody. The stand-out performer here is Kleio Valentien as anarchic wiseass Harley Quinn, whose mouth is alternately full of one-liners and stiff cock. *Suicide Squad XXX* kicks off by pairing Valentien with Akira's Katana character in a padded room. The two turn in a genuinely passionate scene, with Akira spit-shining Valentien's asshole while finger-drubbing her baby hatch. Akira displays a gymnast's grace, putting ankle to ear in a standing Y as Valentien tongue-scours her twat. Next a team of warped supervillains is assembled to sneak into Arkham Asylum, where Killer Frost (Anna Bell Peaks) and Poison Ivy (Katy Kiss) pump the Riddler (Owen Gray)—or, rather, get pumped by the Riddler—for information. Peaks and Kiss straighten out the dangling question mark between Gray's legs with their tongues, then double-team him in an incredibly athletic three-way. Technically, Frost's pussy would probably freeze the Riddler's prick, but whatever—suspension of disbelief is equally important in comic books and porn. Tommy Pistol's Joker comes off a bit simpering, but he proves his heterosexual bona fides when he and Batman (Charles Dera) take turns in Valentien's glimmering shitpit for a video-closing fuck-off. *Suicide Squad XXX* is a killer addition to superhero porn.

IMPRESSIVE
PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I have no idea what I'd be doing if I weren't doing porn. It's not only the sex, which I love, but also the life I have. I'm so spoiled! During the day I fuck. At night I party and dance. I travel to new places. I get so many days off. Plus, I'm motivated to stay in shape and look pretty. There's nothing else like it—it's a win-win.

"The biggest misconception I deal with is guys thinking I'll fuck them just because it's what I do for a living. The key words here are, it's my *living*. Favorite positions are cowgirl anal and cowgirl vag because I can play with my clit and it gives me complete control. If we fuck, it's really got to be—and going to be—impressive."

When I'm in front of a camera, I feel glamorous and unstoppable. Listening to electronic dance music keeps me feeling good and happy. I love to dance on set. When in doubt, twerk it out.

"Sex makes me very happy. My favorite position is doggy. I like having my hair pulled, my booty smacked and, every now and then, being choked. I'm not a shy girl. I enjoy being wild, and I'm open to a lot of things. One time I had sex in my school storage closet. Between classes we had a ten-minute break, just enough time for a quickie. He filled me with jizz, and the rest of the day I walked around with the biggest smile."

EARTHENNE ESSENCE

We've found the perfect bell ringer for the new year's first roundup. Earthenne Essence is a January birthday girl (she'll be turning 22), hails from HUSTLER's birth state and totally embraces nudity. "I love running naked through the woods and skinny-dipping in a creek or river," proclaims the 5-foot-4 newbie from Mayfield Heights, Ohio. "And of course I've had sex in the great outdoors many times. I feel most at peace being in touch with the earth." No wonder she's into mushroom hunting, foraging, mycology (the study of fungi), herbology and botany. Earthenne goes on to reveal more of her essence: "I'm easygoing, laid-back, open-minded and not judgmental. I will move mountains for my loved ones and do anything to make them smile. I love a beautiful woman more than any man. I get off on being dominated, and a person in uniform really turns me on. I often fantasize about having sex with police officers and soldiers in uniform." Earthenne, whose favorite flicks are *Pan's Labyrinth* and *End of Watch*, muses on being observed by a worldwide audience: "I hope your readers like what they see. I think being five months pregnant has made me even sexier and hornier!"

"On my birthday I want to rent a hotel room, where I'll give my partner a strip show and then play the dominant role in bed."

ISIS STONE

Isis was a pagan goddess worshiped in ancient Egypt as the ideal wife, an attribute doubly befitting Isis Stone, 28, from Reno, Nevada. "I have two husbands," she discloses. "I will do anything I can for them, and they are extremely supportive of whatever I do that makes me happy. They'll get a kick out of seeing me in HUSTLER and getting to tell everyone, 'That's my wife!' As for myself, I feel privileged to appear in a magazine I've spent many years looking at and admiring." Let's look a little closer at the 5-foot-3 polyandrist: "I'm loyal, outgoing, opinionated and driven. I love paintball, firearms, college football, horror movies, riding quads and motorcycles, jet-skiing and rodeo. I'm very caring and passionate, and I've been bi for as long as I can remember. There are things I get from being with a woman that I can't get from a man and vice versa. My favorite position is doggy-style, and I've been told that I could probably suck the chrome off a Harley. I love giving oral, though I'm a bit iffy on receiving it unless it's from a woman. I have no gag reflex, and when you pair that with my vibrating tongue ring, it makes for an amazing experience." Anyone wishing to find out how amazing should head to the Sagebrush Ranch in Carson City, Nevada, where Isis is a "very happy" legal courtesan with bondage, rope play and adult breastfeeding on her menu. —Photos by Friend

SABRINA

"I used to be very shy and aloof," says Sabrina, 35, a nurse from Louisville, Kentucky. "Now I'm wild, mischievous and daring. I want to be naked for all the world to see, not just the Peeping Toms I imagine are hiding in the bushes behind our house." Props to the 5-foot-4 tyro for not only coming out of her shell, but also growing a snazzy bush. "Thank you, HUSTLER, for the chance to be one of your amateur models," Sabrina continues. "It turns me on thinking that your readers will get pleasure looking at my pictures. My husband sure loves seeing me naked, and I always get hot and wet when he grabs his camera and starts shooting." Sabrina's other pleasures include horseback riding, swimming, listening to country crooners Eric Church and Jason Aldean, as well as Britney Spears, and majestically toiling in the kitchen: "I love to cook nude with only high heels on while my husband watches. I tease him, feed him and take very good care of his sex life—mine too. I'm a dirty girl who loves sucking dick, eating pussy and being fucked while I'm tied up." Sabrina's fantasy combines all of her amorous kicks: "My husband catches me and another woman having sex, then ties us up and can do or get whatever he wants."

MARIE

"I'm a sweet, sensual, never-say-no type," professes Marie, 19, a secretary from Topeka, Kansas. As you can see, the 5-foot-6 video-chatting buff didn't say no to nude modeling, and what she has to say makes her even more enticing: "I'm bisexual and very submissive. I get off on feeling protected and controlled." But Marie sometimes takes control: "One night my boyfriend and I went for a drive. I was wearing a short dress and no panties. I started sucking his cock, and when it was hard, I hopped on while he drove down the highway." Daredevilish romps are Marie's bread and butter: "I love sneaking into hotel pools for late-night naked dips, and I've had sex in dressing rooms, on a roof, in a lab and at a movie theater." Marie—a fan of the boob tube's *Arrow*, *Supernatural* and *The Blacklist*—is just as rambunctious at home: "I like giving my guy a back rub and then a blowjob while he's watching TV. If the movie or show is good, I'll sit reverse cowgirl and watch too while we're fucking. I'm a nasty girlfренд!" —Photos by Kickback Productions

"I have stranger-type fantasies, like getting nasty with a delivery guy, pool boy or hitch-hiker. And I want to be naked at Italy's body-painting festival."

HARLEY & CLARISSA

To celebrate Valentine's Day in February, we're simultaneously unveiling two lovey-dovey hotties. Harley Lane, 20, is a lifeguard from San Antonio, Texas, who's "wild enough to stop your heart but skilled enough to restart it." The 5-foot-1 "sexual tornado" is a legal courtesan at Nevada's Moonlite BunnyRanch. Clarissa Steel, 21, is a college student from Santa Cruz, California. The 5-foot-6 "classy nymphomaniac" met Harley at a casino and didn't say no when her new pal asked if she wanted to be naked in HUSTLER.

LE.LO

Twenty-eight-year-old Le.Lo is lean, limber, luscious and nomadic. "I was born in Guam and stateside raised," the 4-foot-11 "computer nerd" tells us. "I move around a lot. I currently live in Reno, Nevada, but like in that old John Denver song, my bags are packed, and I'm ready to go." Before hightailing it to greener pastures, Le.Lo has welcomed us into her home for a tantalizing peep show. "HUSTLER is simply the best magazine to pose nude for in my opinion," she raves. "A dear friend encouraged me to send in pictures the first time [December '13], and I'm glad I did. I even got to meet Larry Flynt. That was an experience I'll never forget!" Le.Lo adores being eye candy, but that's just the tip of the iceberg: "I'm into social networking, photography, boating, traveling, creating apps, '90s boy bands and anything Dean Koontz. Oh, did I mention sex? I'm very naughty, kinky and submissive. For the most part anything goes, but I really love kissing, 69ing, having a guy fuck my brains out in his favorite position and masturbating." Le.Lo, who hopes that her new pics induce a "happy ending," concludes her personal revelations with big news: "I finally tried anal. Wow! If done the right way, starting slowly and gently, it gives me really good orgasms and keeps things exciting." —Photos by Le.Lo

"I'm always game for making love, but I get extra kinky, adventurous and imaginative on Valentine's Day."

KUSH

This "honest, clever and down-to-earth" 26-year-old from Waco, Texas, is a cam model and true-blue HUSTLER fan. "What I like most are the confident, strong and beautiful women who appear nude in the magazine," Kush specifies. "Of course I like the dirty cartoons too." Thanks to positive feedback from admirers, the 5-foot-7 Lone Star Stater decided to follow in the footsteps of the HUSTLER gals she admires: "I've always gotten compliments on my body, so why not share it?" Kush has more to share than her tantalizing anatomy: "I love to garden and plant flowers. Being outside always clears my head." As for sowing her wild oats, Kush confides, "Oral sex is pleasurable for me and a man. I love having my pussy ate out, and after I come, he can stick his cock into my pussy or ass doggy-style. Anal sex is kinda like forbidden territory that needs to be explored."

of a high-end
clothing store."

NATALEE

"I'm a hot MILF and wanted to show everyone my body after having three kids," proclaims Natalee, 27, from Buffalo, New York. It's nice knowing that the Rust Belt city boasts more than Super Bowl futility and an average annual snowfall of almost eight feet. Flatwater paddling, running and softball are part of Natalee's keep-fit regimen, but the 5-foot-7 skin-mag neophyte has a far more gratifying way to burn calories: "I always want to be very playful at bedtime, but being a mom is hard work. Some nights I just want to kick back and tell my guy what to do to get me off. Lots of foreplay, not rushing into things too fast, taking his time before fucking my kitty. Doggy is best 'cause he can spank my butt right when I want him to—just before I start coming."

MICHELLE STARK

Here's a security guard who gets off being watched when she's out of uniform. "Being in HUSTLER has been one of my goals," declares 20-year-old Michelle Stark from Ely, Nevada. "I think I can bring attention to Beaver Hunt and the magazine as I work on becoming a well-known cam model." Let's get to know the 5-foot-5 cutie: "I'd describe myself as an upbeat, energetic and bubbly sweetheart. My hobbies are painting and taking road trips, my favorite singer is Pink, and my favorite movies are *Fast Times at Ridgemont High* and anything Rob Zombie or Danny Trejo." Sounding like a seasoned porn star, bi-curious Michelle fesses up, "I absolutely love oral sex, especially a good cum-shot in my mouth. One of my favorite things to do is licking off the extra cum that dribbles out of the lucky guy's cock. I also love being spanked, scratched and bitten. Rough sex really turns me on!" Michelle—a "screamer" whose other kicks include dirty talk, anal and masturbating—has a rockin' fantasy: "I want to have sex in the mosh pit at a metal concert."

"I love anal sex, especially if it's done nice and slow at first. Oh, yeah!"

THE NAUGHTY VEGAN

"There is no taming this wild child," proclaims The Naughty Vegan, 24, an exotic dancer who ardently embraces the lifestyle that excludes animal products. "I'm a crazy, fun, freaky, adventurous, seductive, goal-oriented and comedic Scorpio. Above all else, I'm a hustler! I hustle in everything I do." That includes nude modeling: "When readers see my photos, they should consider going vegan. Nothing turns me on more than compassion." The 5-foot-5 beauty's passions are extensive: "My hobbies are working out, lifting weights, yoga and hiking. Being in nature makes me feel so alive!" She's a movie and TV buff too: "I love anything involving aliens, conspiracies or mysteries. And speaking of mysteries, my hometown isn't from this planet. If you absolutely must mention one, say it's Atwater, California." We'll go on to mention that The Naughty Vegan digs heavy-metal bands, the Seattle grunge scene, gangsta rap and getting it on: "I'm pansexual, meaning I'm capable of having the hots for anyone. Gender doesn't matter to me." And she's definitely gung ho: "I give extremely sloppy blowjobs. For some reason my mouth is naturally wet with thick, warm slobber. I also love cuddling, doggy-style hard as fuck and anal with modest-size dicks—nothing too big and scary." The Naughty Vegan's biggest fantasy? "Having hot group sex with beautiful vegan people in an open field."

—Photos by Casper Muñoz Photography

"I like guys who are open-minded. Lube up your dick and fuck me in the ass. Balls smacking my clit while I'm getting it from behind really turns me on!"

"I eat pineapples too. That's why my cute pussy is so sweet!"

VICTORIA EVANS

"I've always had HUSTLER mags," says Victoria Evans, 22, an "adventurous, kindhearted and feisty when needed" resident of Aurora, Ohio. "I thought it would be great to finally see myself in it. I am very confident with my all-natural body. I love modeling in a sexy outfit, but I prefer modeling in nothing at all. Your readers are going to see much more than my Facebook friends!" Besides social media, the 5-foot-9 newbie is into soccer, martial arts, crafts, the cable shows *Shameless* and *Banshee*, music (The Judds, Nickelback, 303 Band), rooting for pro football's hapless Cleveland Browns and "taking care of everything" around the house: "I consider myself to be an amazing wife. When my husband comes home, he has no worries other than to shower, eat dinner and relax." But Victoria does have erotic rules: "I love being dominated, especially when I'm tied up and blindfolded. The mystery is an adrenaline rush." She also gets her rocks off outside the bedroom: "When a church was having its bricks remortared, we had sex at the very top of the scaffolding by the bells." That leads us to Victoria's Holy Land fantasy: "I'd love to have sex in the Dead Sea. All that extra salt in the water makes floating easier."

—Photos by Paradigm Foto Studio

"I love scavenger hunts where the objective is to find the restraints, toys and lube I've hidden in my house. The winner gets to take me to bed and look for my sweet spot!"

KATIE

Katie, 21, a movie-theater cashier from Anaheim, California, aspires to be a sea-animal trainer. In the meantime she's quite comfy testing the waters as a skin-mag apprentice. "My favorite TV show is *America's Next Top Model*," the 5-foot-2 cutie discloses. "I'm probably too short and voluptuous to be a fashion model. I'd rather be HUSTLER's top amateur model. People seem to like my sweet and bubbly personality, but actually I'm very naughty." We'll get to that trait once Katie sheds light on her G-rated pastimes: "I like to ride a dirt bike every now and then and feel the wind blowing through my hair. I also like swimming, hiking, horseback riding and cuddling with a guy and giving him all my love. I'm always fun to be with, especially when I'm horny." Katie candidly continues, "I love making out while a man plays with my boobies and rubs his crotch up against my vagina. I'll come in my panties before he can take them off." Despite her penchant for hopping onto two-wheeled vehicles and four-legged steeds, "kinda bi-curious" Katie prefers kicking back when she's getting laid: "I like to be on the bottom." And what a breathtaking bottom it is.

CHRISTY MICHELLE

"I'm a voyeur and an exhibitionist," proclaims Christy Michelle from historic Harrodsburg, Kentucky. "Being in a magazine was a fantasy of mine, but appearing in Larry Flynt's makes it much more fulfilling." The 5-foot-4 nude-modeling neophyte reveres our publisher, a fellow Kentuckian who was born and raised just down the road apiece from Harrodsburg, the oldest city in the Bluegrass State: "I think that Mr. Flynt has done a lot for the adult industry. Without him I don't think the industry would be where it is today." Admittedly "fun, outgoing and bubbly," Christy Michelle broke into the adult biz as an exotic dancer, but she no longer teases the customers. She's now a legal courtesan at Carson City, Nevada's Love Ranch North. Here's her amorous résumé: "I'm bi and submissive. Being tied up and spanked really turns me on. My favorite positions are doggy-style and reverse cowgirl, and I love threesomes, orgies and anal. It makes the orgasms even more intense. My goal is to always have men come back for more!" Christy Michelle, a fan of Pitbull and classic rock, also enjoys gardening, boating, "anything to do with paranormal activities" and vacationing. That takes us to her audacious fantasy: "I'd like to have sex on the balcony of a hotel while cars and people pass by."

—Photos by Harry Connor

"My sexual fantasy is to be dominated by a complete stranger."

BREANNE

"I love showing off my body and sexuality," asserts Breanne, 27, a college student from Harrisburg, Pennsylvania. "What better place to do that than HUSTLER Magazine? I hope the readers have as much fun with the photos as I had posing for them. I'm naked a majority of the time when I'm home." Besides listening to AC/DC and Crossfade, Breanne's top extracurricular pastimes are "spending time with my two snakes" and "giving my entire attention to the person I am with, whether we're watching TV or having sex." The 5-foot-7 "horror movie fanatic" elaborates, "I'm spontaneous, caring, passionate and straight. I don't discriminate. I love men of all shapes and sizes, and I like being bossed around in the bedroom." Finally, Breanne has no qualms about butt-banging: "It's a great way to change things up."

BONNIE

"My Bonnie lies over the ocean/My Bonnie lies over the sea" are the opening lines of a Scottish folk song. The narrator isn't pining for a 23-year-old college student from Santa Rosa, California, but she inspired us to wax poetic before getting down to the brass tacks: Our Bonnie lies over a tree /Our Bonnie's as naked as can be. "I'm funny, fearless and ambitious," the 5-foot-2 dreamboat reveals. "I'm secure with my body, and I'm proud to show it off. I know how to keep everyone entertained and interested." Studying hard is Bonnie's priority, but she digs occasionally "partying till the cows come home!" and always being kinky: "I love bondage. I have to be in charge, exerting my power over men, but sometimes I get off being taken advantage of. That's why I fantasize about lots of guys lining up to have their way with me." —Photos by Friend

MICKEE SPRINGS

"I feel that I can represent HUSTLER's brand positively as a new, sexy addition to the publication," professes Mickee Springs, 19, a college student from Mansfield, Ohio. "I hope your readers agree." She's keen on revealing more than just her 5-foot-8 bod: "I would describe myself as a kindhearted, selfless, genuine individual with beauty and brains. I put my significant other's needs before my own, and this makes for a gratifying relationship." Mickee continues, "I love to cook! Cop shows and professional sports dominate my TV, and I enjoy Eminem, Britney Spears, Guns N' Roses and everything in between!" Mickee's sex life is mutually gratifying: "I'm a lady in the streets, but a freak in bed. I love giving and receiving oral, I have no problem with swallowing or facials, and doggy-style is a classic. I like the submissive role, and rough sex is good sex." The travel buff's fantasies are truly far-out: "Sex on top of a rock at Stonehenge in England or in the Blue Lagoon geothermal pool in Iceland would be very exhilarating." Meanwhile, looking forward to Valentine's Day, Mickee coos, "A hot-oil, full-body massage will set the tone for a long, pleasure-filled night."

of love. Or is it the
language of lust?!"

SOFIA SIN

"I've always wanted to see myself in a men's magazine, and HUSTLER is a fantastic choice," announces Sofia Sin, 35. "Having my naked body admired by men and women delights me." The 5-foot-5 brunette is no garden-variety exhibitionist: "I was born and raised in São Paulo, Brazil, but I consider myself to be a citizen of the world. I've been to around 70 countries on all seven continents, including Antarctica. Visiting new places and learning about their culture fascinates me." Sofia is 100% Brazilian: "Our women are famous for having a great derrière and being quite insatiable. I must say that I am no exception to the rule and that any man who dates me will be quite satisfied. I'm a very sophisticated, passionate seductress." Sofia's favorite TV shows are *Devous Maids* and *Secret Diary of a Call Girl*, but she's not secretive about her lines of work: "I'm a legal courtesan at Love Ranch North [outside Carson City, Nevada], an exotic dancer in Las Vegas—Sin City is the perfect home away from home—and a professional dominatrix. I love the devous pleasures of fetish and domination." Sofia is also fond of Latin pop music, especially Shakira and Pitbull: "Their songs during lovemaking always turn me into a sex machine." Even her fantasy revolves around music: "I give a nightclub's DJ a mind-blowing BJ in his booth. Then he bends me over the turntable and fucks my pussy from behind as everyone dances the night away."

ARE YOU WORTHY?

PHOTOGRAPHY BY
LEE FORBES

Before porn, I didn't know how my body worked. Yes, I masturbated, but I didn't know how to come with others. I've learned so much. I can see someone across a room now, someone I don't even know, and feel that desire to have them. It's important to fulfill your sexual needs.

"I love being on top. It puts me in charge and lets me ride a man just the way I like. I still love touching myself, and I do a lot of solo work. When I decide to look for a partner, I need someone strong, secure and confident who can accept my line of work. Using my body to entertain people rocks my world."

SIMPLE LIFE

PHOTOGRAPHY BY
MATT KLATT

I'm a pretty normal person. I wake up and feed my kitties. Shariet: Smoke weed. Red Bull and banana nut muffin for breakfast. Smoke more weed. Sit out on my patio to get sun. Drive to work. Smoke more weed. Go home. Feed the kitties. Eat. Sleep.

"I'm pretty easy to win over, just be yourself. Come up and say, 'Hi, my name is...'. Talk to me the same way you would to anyone. Only difference is, I'm kind of a camera whore. You know, the more gets, the hornier I get."

— Malena

My life is stressful, so I find ways to relax. I love beer, flowers, chocolate, coffee beans, going to the beach.

I'm a huge bookworm. I'm learning Arabic—it's such a beautiful language. And of course, fucking. I love having my pussy sucked. I always pay attention to how a woman dances and looks at me because I figure that's how she wants to be seen. Men could learn something by watching how we do things.

I'm a free spirit. I've been known to test people's patience just for fun. I mean, if you tell me no, I'm gonna do it. When I was in high school, I was really shy, but now I'm so much more open. When I see a guy I like, I'll look over at him until he notices and says hi. If I'm enjoying a kiss, I'll pop my tongue in. If I want more, I'll put his hands right where I want them.

"Some of my biggest turn-ons are kisses on my neck and lips and looking into a guy's eyes. In the bedroom, I think the most important thing is having a mirror. I love to see what's going on when I'm fucking—it's like live porn. I can't do fantasies. I don't like to think about what other people do; it's way more fun doing my own thing."

ELLIE

SPONTANEOUS
PHOTOGRAPHY BY
JOHN EMSLIE

A full-page photograph of a woman with blonde hair tied back in a bun, wearing a white headband and white lingerie (bra and panties). She is sitting on a white chair, leaning forward with her arms resting on the back of the chair. She is looking over her right shoulder at the camera with a slight smile. The background is a plain, light-colored wall.

I want to practice international medicine and am working hard on my degree. I'm into guys who take everything in stride. I can get a little anxious, so I need someone to unwind me.

"Because I'm so busy with school, sex has to be completely spontaneous. Last semester I was getting my coat from a back room at a house party. There was this guy leaning against a pile of jackets, getting head. It was so dark, I couldn't make out his face. I just saw this hot girl and her mouth licking him. She looked up and smiled, but didn't exactly stop. I moved closer to the bed, and I guess I was staring. She said, 'I don't mind if you watch, but do you want to share with me?' I'm really not a threesome girl. At least I wasn't one. But I leaned forward and put his dick in my mouth. The girl and I sucked and licked and kissed, and he came all over our faces. I wiped my mouth, found my jacket and left. I never got their names. I remember being in the cab and thinking, *I should go back and meet them*. I've thought about that night a lot since then. It's one of my recurring fantasies."

DECEMBER 2003

DIRECTED BY ANNA NICOLE SMITH
PHOTOGRAPHY BY CLIVE McLEAN

Fuck the camera with your eyes," Anna Nicole Smith directs. "I wanna see you scream with your eyes. Pretend the camera's your boyfriend."

A color photograph of two women in a rustic setting. One woman, with blonde hair and a black top, is holding a large wooden bucket and pouring white liquid (milk) over her head and down her body. The other woman, with dark curly hair, is leaning into the stream of milk, her body partially submerged. They are standing in front of a weathered wooden structure, possibly a barn or stable, with hay visible in the background.

"They were telling me it was a Western shoot, and I was thinking, Hmm, what if they had one of those big old buckets that they have for the horses to lick their water out of? I wonder if they could put the girls in there and just have some milk poured all over their bodies."

ACCIDENTAL CREAMPIES

HUSTLER VIDEO. DIRECTOR: OTTO BAUER. STARRING: LAYLA PRICE, JESSICA RYAN, BRITNEY AMBER, JEAN MICHAELS, CHRISTIE STEVENS, AARON WILCOXXX, TYLER NIXON, EVAN STONE, AXEL ACES & BRAD KNIGHT.

In the past 15 years or so of perpetual war, the dangers of premature withdrawal have been discussed endlessly. *Accidental Creampies* serves as an erotic argument in favor of not pulling out until the job is done. In porn, as in war, the results can be messy. The theme here is gleaming girl gulches being carpet-bombed with loads of nad napalm. The primary target is Layla Price, a hefty-titted blonde with a Valley-girl drawl and a hillbilly's disregard for decorum. Price finds herself in carnal combat with an armed cum-slinger and ultimately finds her trench thoroughly destroyed by his meat missile. By scene's end, Price's cunt is discharging the milky remnants of their battle. Saucy redhead Jessica Ryan goes knees-to-shoulders for an aggressive campaign deep into her crevasse. After a thorough drilling, Ryan's vagina practically turns inside out as she jetstons dick dribble. Pneumatic-racked strawberry blonde Britney Amber teams with veteran scum sergeant Evan Stone, who's ironically depicted as "the new guy." Amber gives a hearty tug-and-suck to Stone's throbbing, hoovering his wrinkly sac and polishing his sword to a spit-wet sheen. Amber has the motto "*Vive Una Volta Sola*"—"Only Live Once"—tattooed above her twat, and she certainly rides Stone's cock like it's do or die. *Accidental Creampies* serves up some very tasty slop. MANUEL CREAMPIES THEIR ASSES 4

JULES JORDAN VIDEO. DIRECTOR: MANUEL FERRARA. STARRING: MORGAN LEE, CHERIE DEVILLE, BRITNEY AMBER, BRITTANY SHAЕ & MANUEL FERRARA.

Take one part scruffy-ass fuck with a boner that wouldn't quit at his own mother's funeral. Combine with a mixed bag of cum-drenched cornholes, and bake at a steadily decreasing heat for two and a half hours. That's the basic recipe for *Manuel Creampies Their Asses 4*, Manuel Ferrara's latest foray into brutality and sodomy. The concept here is not difficult to grasp. Scraggly cocksmiter Manuel Ferrara—who with each passing video looks more and more like a rail-riding hobo—plows his way through a succession of turd trenches, finding new and semi-unique ways to showcase his ball bather. Unfortunately, the uneven quality of talent makes this a bumpy ride for the dick-driven drifter. Ferrara's journey starts out smoothly enough, with scrumptious, bouncy-rumped brunette Brittany Shae. Ferrara brutally finger-fucks Shae before planting his pole in her pooper and strumming her clit like a clumsy banjo player. En route to Shit Chute Junction, he puts Shae through an endurance test that has her eyes rolling back in her head with each stab at her colon. Exotic, supple-assed Morgan Lee follows, receiving a vigorous tongue-fuck to her dung hatch before Ferrara wedges his ugly banana-slug cock through her sphincter and drills away. Lee eventually farts her lover's load into a martini glass before quaffing it down. Sadly, the quality gets as slippery as a greased turd from there; with a donkey's grin and a monstrous asshole that resembles an octogenarian's toothless smile, Cherie DeVille looks like she should be pulling a plow in an Eastern bloc country. *Manuel Creampies Their Asses 4* tastes great at first, but leaves the viewer with a touch of indigestion.

THE PREACHER'S DAUGHTER

WICKED PICTURES. DIRECTOR: BRAD ARMSTRONG. STARRING: MIA MALKOVA, ALEXIS FAUX, MERCEDES CARRERA, JESSA RHODES, BLAIR WILLIAMS, XANDER CORVUS & BRAD ARMSTRONG.

Looking for a visually tasty spank video with an aftertaste of moral ambivalence? *The Preacher's Daughter* will no doubt answer your prayers. Graybeard cum slinger Brad Armstrong serves double duty as director and actor, turning in a slick-as-snot offering with production values that rival any basic-cable-TV project. Armstrong plays the preacher, whose fervor for the Good Word is matched only by his concern for daughter Marissa (Mia Malkova), a cum-coaxing blonde with a taste for ice cream and the crowbar of local grease monkey Billy. As impressive as they are, the video's feature-grade trappings might work to its detriment—when Billy finally wedges his pork sword into Marissa's piece, it's with a long, lingering buildup that comes across like a Hallmark original movie written by Nicholas Sparks, except with full penetration. Make no mistake, Malkova is magnificent. But overall the aesthetics of *The Preacher's Daughter* are betrayed by the typical shortcomings of porn: The plot is riddled with clunkiness, and the acting is jarringly uneven—the Southern accents that the actors attempt come and go like a summer breeze. A dark, dramatic twist saves the story from becoming a cliché-ridden snooze, as Armstrong's preacher exacts creepy revenge on bawling Billy. At three hours plus, *The Preacher's Daughter* is a lengthy sermon, but somewhere in this sprawling would-be epic the viewer will find something to do with his hands besides praying.

DAVA FOXX

THE MAGIC VAGINA

HUSTLER VIDEO. DIRECTOR: MARC WESTON. STARRING: HARLEY JADE, DAVA FOXX, SADIE SANTANA, CHAD ALVA, DAMON DICE, RYAN DRILLER & DONNIE ROCK.

There probably isn't a woman alive who isn't cognizant of the power her pussy wields over the male gender. *The Magic Vagina* presents a far less common scenario: Here's a chick with an incredibly alluring slit who regards its mesmerizing properties as a burden rather than a blessing. The cursed blond cock hound in question, Harley Jade, just wants some hard poundings, no relationship bullshit attached. Instead her dong donors follow her around like puppy dogs. As Jade attempts to dispense with her curse, there's also a subplot about an evil real-estate developer (Dava Foxx) who's trying to steal Jade's house from under her, and a homeless shelter worker with a heart of gold (*and a magic penis*) who helps thwart Foxx's nefarious plan. As magic tricks go, this offering isn't particularly elaborate. The premise is as thin as the toilet paper found at the 77 Cents Only store. And a bag of gold glitter sprinkled on Jade's twat is about the extent of the special effects. But the sex is solid, and the film seems to have a knowing awareness of its own cheesiness that softens the cringe factor. *The Magic Vagina* isn't exactly an awards contender, but the hot action will make your hand disappear down your pants, and isn't that the whole point? HARLEY JADE

SEXUAL ATHLETICS

JULES JORDAN VIDEO. DIRECTOR: MANUEL FERRARA.
STARRING: MORGAN LEE, ASSH LEE, STELLA COX,
BRANDI LOVE, KAYDEN KROSS & MANUEL FERRARA.

With overprivileged, self-entitled jocks like Ryan Lochte and Ray Rice running amok, *Sexual Athletics* offers a gratifying display of sports-related misbehavior that will have you clutching your fist in something other than rage. The title pretty much explains the theme—chicks work up a sweat on the playing field before getting a carnal workout. Tight-bodied, bright-eyed blonde Kayden Kross knocks some balls around on the tennis court before hitting the showers, revealing jaw-dropping dairy domes topped by nipples that jut like thumbs. Enter scruffy brute Manuel Ferrara, who practically gnaws those nipples off and drills one deep into Kross's cunt court with the furor of a classic John McEnroe tantrum. Manuel's scene-capping scum salvo goes slightly out of bounds, aiming for Kross's yap and spraying her cheek—but, hey, no harm, no foul. Tawny-skinned brunette Morgan Lee and brick-house blonde Assh Lee (presumably no relation) shoot some hoops, then take it to the hole big-time, double-dribbling on Ferrara's pogo stick and enduring a ferocious anal threeway. Ferrara stacks his fuckholes one on top of the other and alternates stabs between Morgan's pussy and Assh's rosebud, scoring points with every lunge. Stella Cox has an out-of-control body, packed into a flag-patterned bikini that will make viewers—part of them anyway—stand up and salute. After Cox tongue-scours Ferrara's bung, he folds her in two and wrecks her ass with a vigorous ATM session. Like a recent notable sports scandal, *Sexual Athletics* will leave balls deflated, but in a good way.

WET 2

WICKED PICTURES. DIRECTOR: DAVID LORD.
STARRING: CARTER CRUISE, TIFFANY WATSON,
GINA VALENTINA, CAMERON DEE, ANYA OLSEN,
BRAD KNIGHT, DAMON DICE, ERIC MASTERSON,
LUCAS FROST & SETH GAMBLE.

Dripping with naked water-soaked women, *Wet 2* definitely makes a splash, though it might not quench every viewer's thirst. Director David Lord turns in a well-shot, well-lit effort—unfortunately, the sex scenes seem workaday at best. Sturdy, dirty blonde Carter Cruise is the notable exception. Though built a bit like a fire hydrant, Cruise brings an impressive heat to her scene, blowing spit bubbles on her partner's glistening dick during a hyper-passionate blowjob. Cruise is equally intense as her tufted trench takes a plowing, her face glowing crimson and contorting into a knotted mask of pleasure. Elsewhere, petite blonde Tiffany Watson exudes trailer-trash charm as she soaps up a muscle car in a bikini top and a pair of Daisy Dukes. Admirably flexible, Watson plants a leg on the top of a car door and offers her immaculate cunt for a rear-view drilling. Watson's a visually tasty morsel, and there's nothing wrong with the scene, aside from the rote mediocritiy that runs through it. The same holds true for the fuck featuring lithe, statuesque blonde Cameron Dee. Dee's pear-shaped chest bumps bounce enticingly as she rides her mate's rod, but the lack of heat makes her scene as memorable as last week's cum stain. Exotic, subcompact covergirl Gina Valentina brings some spice to the menu, packing a surprising amount of erotic oomph into her diminutive frame. In fact, Valentina inhales nuts like a squirrel that has winter chasing its fluffy tail. Still, overall *Wet 2* is a shiny, but mostly empty package.

BOO & BARBARA SUMMER

LATEX LESBIANS

HUSTLER VIDEO. STARRING: SATINE PHOENIX, ANASTASIA PIERCE, ZOE BRITTON, BOO, BARBARA SUMMER, KENDRA JAMES, MISTRESS NICOLETTE, VICTORIA RED & MALIBU.

Latex Lesbians is loaded with ultra-alluring abuse junkies. The concept here is as sharp and simple as the crack of a riding crop: chicks torment each other with deliciously dangerous devices that may well have been purchased at the Marquis de Sade's yard sale. The video starts with Filipina torture magnet Satine Phoenix splayed and bound as a machine-powered dildo rhythmically fucks her bare, gleaming twat. Enter tormentor Anastasia Pierce, who tugs Phoenix's nips to stiffness before clamping them hard. Phoenix is the literal model of restraint as she's put through her paces until finally her body is writhing, ready for release. Pierce half-suffocates Phoenix with lily flesh and slaps her ass red before putting on a display that's half porn video, half Nazi torture-training film. By scene's end, Phoenix's entire head is encased in an inflatable helmet and her labes are pinched wide open by a ring of clothespins. Pierce is again enlisted to work over copper-top Zoe Britton. Britton is tied up with her mouth taped shut as a parade of agony commences—the only thing missing from this scenario is a ransom note. The standout scene of this video gem features Kendra James, whose tits and cunt are subjected to scorching candle wax kisses before she's vacuum-sealed into a rubber sheet. This title probably isn't for the casual jerkoff, but if you find yourself squirming for a hurtin', *Latex Lesbians* brings the pain nicely. To order your own punishment, call 800-763-8271 ext. 7675 or visit HustlerStore.com.

AXEL BRAUN'S NYLON

WICKED PICTURES. DIRECTOR: AXEL BRAUN.
STARRING: ASA AKIRA, JASMINE JAE, KATRINA JADE, BIANCA BREEZE, BRITNEY AMBER, ALEC KNIGHT, ERIC JOHN, LUCAS FROST, RYAN RYDER & TOMMY GUNN.

Nylon starts off shiny and sleek, like a new pair of stockings, but develops nasty runs rather quickly. The hyper-stylish procession of frilly filth begins pleasantly enough, with lithe Asian spurn target Asa Akira dolled up in stockings and a corset to showcase her drum-tight ass. Akira is subjected to an acrobatic schtup, her body contorting into approximations of the letters *M* and *W*. But things descend from there, like a once-proud hard-on drooping floor-ward, with Jasmine Jae, whose distractingly sharp cheekbones look capable of lacerating a fuckset as she goes down on it. Her surgically mangled tatas appear cross-eyed, nipples pointing toward each other as if asking, "What happened to us?" To be fair, Jae gives a decent footjob, rubbing her soles against a long, stiff cock. In fact, if this were a circus act, she might receive extra peanuts, but damnit, this is porn that people are shelling out hard-earned dollars for. Even Katrina Jade, normally a guaranteed boner-inducer, manages to disappoint, as she draws her stockings up along gams that are punctuated by a series of bruises. Normally such contusions would be a minor quibble, but in a quasi-fetishistic offering like this, details matter. A touch more quality control might have made the difference here, but as it lays, Nylon is stretched thin.

BUSTY BEAUTIES CAR WASH 2

HUSTLER VIDEO. DIRECTOR: OTTO BAUER.
STARRING: PRIYA PRICE, HARLOW HARRISON, CHRISTIE STEVENS, JAYDEN LEE,
AARON WILCOXXX, TOMMY PISTOL, MARCO
BANDERAS & DERRICK PIERCE.

The last time I had my car washed, the only perks involved were a dismissive sneer from the attendant over my dilapidated hoop and a complimentary air freshener that smelled vaguely of vomit. Thankfully, *Busty Beauties Car Wash 2* is a far more rewarding experience. A paean to suds, sponges and stacked sexpots, this offering will definitely rev up a viewer's hot rod. Dusky enchantress Priya Price is hard at work, sudsing a ride, when its owner shows up and directs the sponge to her dazzling chest domes. She drops to her knees and vigorously spit-shines his crankshaft, her chocolate bazooms hanging so damn beautifully. A cock crows in the background as her lover hoists her onto the hood of the car and splits her legs like a wishbone, then hammers her as his balls slap out a backbeat. Tattooed blond vixen Harlow Harrison does her duty at the charity event, generously accepting a donated dipstick. Harrison's otherwise magnificent tits are unfortunately marred by a scribbly tattoo that resembles a thick thatch of chest hair, but every diamond has its flaw. Pale-skinned knockout Christie Stevens, who sports the Eighth and Ninth Wonders of the World, takes on two motorists and gets her tailpipe jammed with a banana as she's heartily double-penetrated. In the movies that kind of blockage usually leads to engine failure, but *Busty Beauties Car Wash 2* accelerates the action till you cross the finish line. To order, call 800-763-8271 ext. 7675 or visit HustlerStore.com. —P.D.R.

I never thought I could model because I'm only 5'2 and have a voluptuous derriere, but when I saw the deliciously curvy Jamie Deadly making it, I realized that I could too. Seeing someone who was not the typical tall, thin fashion model creating gorgeous images opened my eyes to opportunities. I'm able to dress up, portray various emotions and tell stories. It's a game of make-believe. One of my favorite quotes is from Ralph Waldo Emerson: 'All life is an experiment. The more experiments you make the better.' That's a good way to think."

Top five things on my bucket list:

1. Walk the streets of Rome (toga optional).
2. Visit the Louvre and gaze into the eyes of the Mona Lisa.
3. Go to Burning Man.
4. Work as a magician's assistant.
5. Play a dead body on *CSI*.

A close-up photograph of a woman's lower body. She is wearing white, skin-tight leggings and white sneakers. Her right leg is bent at the knee, and her foot rests on a dark brown, textured wooden railing. Her left leg is also bent, and her foot is resting on the railing. In the background, there is a white chair with green and yellow striped fabric, and some blurred greenery and sunlight.

I've always been a self-proclaimed hustler. Success is a major motivator. Right now my passion is my small business, high-end photography by and for women. Sometimes you need to throw caution to the wind and just dive in. Like this shoot. We were in Puerto Rico and stumbled on an abandoned hotel right on the beach. I can still hear the sounds of the waves crashing and the sea breeze howling. For me, modeling is a sensual striptease.

My first blowjob scene I was kind of worried about whether or not I'd be able to make a pro come. But I got a really great guy to work with, and it was good. And if it's good in person, it turns out great on camera. I used to watch my scenes to see what I could do better; now I watch them to relive the experience. Sometimes I can climax just remembering how a cock tasted and what it felt like going into me. I don't even need to touch myself to come, but I usually do. I can't help myself."

DANI DANIELS

EPIC

PHOTOGRAPHY BY
TAMMY SANDS

I'm all about chemistry and connection. I love a man who's confident, funny and a classic gentleman. Of course it helps if he's great in the sack. And a woman who's self-assured, dresses well and takes care of herself can gladly sit on my face. To me, porn means epic sex. I'd be pretty happy fucking and painting for the rest of my life. That's right, painting! I've even had a few solo gallery shows. Check me out at KiraLeeArt.com."

Blowjobs are my thing. If my girlfriends ask for advice about how to suck a dick, I tell them there's no such thing as perfect. It depends on the guy. Everybody's different, and that's the thing you should think about. You gotta feel that shit out. Try things. Give lots of eye contact and pay attention to how he's responding. It's good to get a dick really wet. I love sloppy blowjobs, so I drink a lot of water to stay hydrated. Sometimes drinking something sweet, like lemonade, makes for stringy spit I can play with. And use your mouth and your hands at the same time! Usually I stop before a guy comes, because I want to get that cock in my pussy. The better the blowjob I give, the better the fuck I get."

ALTERNATE
UNIVERSE
PHOTOGRAPHY BY
BBGRANTPHOTO

A full-page photograph of a nude woman with long blonde hair, sitting on a white bedsheet. She is leaning forward, resting her arms on her legs. Her head is turned slightly to the left, looking towards the camera with a neutral expression. Her skin tone is light, and she has a small mole on her upper right chest.

I'm super into video games, particularly the open world ones. I love being able to feel like I'm in another universe I can talk about my favorite series for hours (*Elder Scrolls* and *Mass Effect*, by the way). Generally I'm attracted to sweet, nerdy guys, especially ones who are a little shy. I like mostly the same qualities in women, though I prefer my females with attitude. My favorite position is probably missionary. I know, boring. But it just hits the right spots and makes me come the quickest. I also like cowgirl.

"Sex is great when there's real passion, but it's not overly serious. It's okay to be shy, it's okay to try new things! Once a girl literally squirted inside me. We were both scissoring a magic wand, and she was just gushing. It was really hot."

PUSSY POWER

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I used to get picked on for having a big ass. It's like 38 inches and it's real! Within the last few years the whole 'big butt' thing has gotten so huge. Because everyone gets implants and injections, people assume mine is fake. It's not. I've had my tits done twice though. I used to be flat as a board, and I wanted my curves to be in proportion.

"For a long time I was embarrassed to just be me. On the outside I was the girl next door, a good girl. One day I decided I was tired of hiding. I was going to do whatever the fuck I wanted. I love having sex, I love blowjobs, and I live to perform. Literally after my first scene I said, 'This is what I'm supposed to be doing!' I really like the rough stuff and talking dirty. I've finally embraced the power of my pussy. It's gotten me out of speeding tickets—I get free tire repairs, new clothes, shoes...and I never really have to wait in line."

I put all of myself into every shoot, from the clothes I pick to the music that's playing to the sex toys I slip inside my vagina. Shooting for HUSTLER was amazing! It was an awesome day. I got to show off my country side, which took me right back home.

"One of my favorite sex stories took place in the mountains of Colombia, hanging with friends, eating pot brownies. Let's just say we all got a lot closer in that cabin. It felt like porn, only ten times better because it was unexpected. The guys definitely held their own!"

"With a girl, my favorite position is 69, because both girls are having fun, and you can lock each other in with your legs so you have nowhere to go. With a guy I love doggy because he's in control, and men love that feeling."

Fucking can be mind-blowing when the only thing you both want is sex. Once I decided it was okay to be physical outside of a relationship, I learned so much. Every lover is another chance to figure out what makes me come. Last month I discovered I love being treated like a rag doll, getting manhandled into position after position. It's somehow so freeing to be submissive every now and then."

SWEET SALVATION

PHOTOGRAPHY BY:
LARRY FLYNT PRODUCTIONS

I'm a *hot* fresh face. My work just started coming out. Until very recently I worked as a Bible school teacher. I didn't tell them I was quitting to work in the adult industry. Certain churchgoers and parents in general might not agree. I wanted to resign before they kicked me out. Some people asked, "Why didn't you let them fire you?" Scandals in porn are moneymakers. But that's not my style.

"I have a well-rounded personality. I'm very sweet and loving, but I can also be a freak. Before I lost my virginity, I gave the guy my anal cherry. It's the whole Christian thing—we do things ass-backwards. I definitely liked it. I fuck myself with multiple toys all the time now, but I've never been DPed by two guys. I want that! I know in the industry you have to wait on things, but it's definitely in the cards."

I've had a big butt since I was little, but it wasn't till I hit high school that guys—and girls—started noticing me. Everyone was like, 'Oh, my God, she has such a nice ass!'

"I like to get personal with everyone I work with. It helps make a scene good. I've always been outgoing and have no problem initiating conversation. The one thing people notice about me besides my ass is that I'm always smiling, giggling, having a good time. Isn't that how it should be? Everyone is like, 'It's work.' Yeah, but it's *fun*. We get to fuck! I actually love sex, and I'm there to have sex. The money is a plus."

TAMMY SANDS

P anties are overrated. I don't really wear them—except at the start of a photoshoot. :) They just seem to get in the way. See, I masturbate every day. When I touch myself, I think about all the crazy places I want to have sex. I actually have a bucket list: I want to fuck on a roof; I want to ride a guy's dick when he's driving; I want to do it in a store dressing room. I'm excited to think that I might be on the list of things guys think about when they jerk off."

GETTING THEIR KICKS

HUSTLER CLASSIC
OCTOBER 2004

PHOTOGRAPHY
BY MATTI KLATT

After hearing about a mugging in their neighborhood, **Rebecca** and **Simone** signed up for a self-defense class. Their hard-bodied instructor, **Sativa**, showed them some basic kickboxing moves before pulling out the nunchaku.

The sexy senei then demonstrated how to neutralize attacks by probing their most vulnerable areas. Soon both girls were moaning in sexual submission.

The horny students felt empowered as they left the class, but were later brought to their knees when they got **Sativa's** bill.
